"FOR SHOES, PUT ON THE  
PEACE THAT COMES FROM THE  
GOOD NEWS SO THAT  
YOU WILL BE FULLY PREPARED."

EPHESIANS 6:15

### Questions to ponder:

Have you asked Jesus to forgive your sins, and to be the Lord of your life? Have you put on your own Good News Shoes yet? Why or why not? Do you still have questions or doubts about God's love for you? If so, feel free to email about any of those things. I would be happy to help you sort things out!

What kinds of shoes do you love? If they are softball cleats, then you must be on a team. If they're riding boots, you probably hang around with horse people. Are they ballet shoes? Then you have very graceful friends! Is there anyone you come in contact with during these activities who doesn't know about Jesus yet? How can you begin to tell them about him?

Are you in a Christian bubble? (Be honest!) It's not a bad thing to be around those who love Jesus, just as long as we don't forget that there are hurting people in the world who need him too. Do you have one or two Christian friends who can join with you to pray for your unbelieving friends or help someone in need?

What are some things that you are really good at? Is it writing or drawing? Is it singing or playing an instrument? Are you super organized? Are you outgoing? Are you athletic, like Riley Mae? How can you use these talents to help spread the Good News of Jesus?

Have you ever considered going on a mission trip? Does the thought of traveling to strange places make you uncomfortable? Think of a place somewhere in the world that interests you. Could you begin to find out everything you can about that place, and start a change jar to save up money to visit someday? You never know when God will open up an opportunity to go. It could be soon, so you'll want to be prepared!
